2.1.1

Northwest Florida

Here are three resources that help tackle underlying root causes –more than “patch people through” to agencies. Instead, these specialists are trained to identify and address the root causes of a client’s problem – and connect them with a wide range of available resources that may meet underlying needs, not just the one that prompted the call, text or email.

2.1.1

Northwest Florida

211 is a free, anonymous, confidential, multilingual information and referral service that connects callers to information regarding health and human services available in Northwest Florida. Call to get connected to local resources for food, housing, employment, health care, counseling, and more.
