Sponsorship Opportunities - Brand

## USING OUR BRAND TO MAXIMIZE YOUR ROI, WHILE HELPING THE COMMUNITY THAT SUPPORTS YOUR BUSINESS.

The United Way brand identity is the tangible expression of all that we stand for. It embodies what we do, how we do it, and why we're a trusted partner across the world and throughout the communities we serve. In a very real way, members of our communities, our partners, and our investors experience the United Way brand through our deeds, as well as through the verbal and visual messages we send.

A carefully managed and well-implemented brand identity system helps carry our brand message to the world. As a United Way of West Florida sponsor, your company will be highlighted as a community leader in front of thousands of potential customers, both individuals and organizations. Our sponsorship opportunities are created to help you achieve your marketing interests by broad-reach brand exposure and high-value touchpoints to your target demographics. How will we do this? By utilizing a multi-pronged marketing campaign and tapping into local stakeholders to expand our reach into print, radio, television, and community engagement. **Our reach knows no bounds!**

## MAXIMIZE - THE DIGITAL FOOTPRINT

## UNITED WAY OF WEST FLORIDA AVERAGE WEEKLY IMPRESSIONS

Print Social SEO Ads Radio Newsletter

\*Impression averages range from July to December 2023

## DIGITAL IMPRESSIONS AND STRATEGICALLY TARGETED AUDIENCES

UWWF utilizes a multi-pronged advertising campaign approach that strategically targets two separate age groups.

1. A broad and younger generation, ages 18 to 27 years old with a focus on brand awareness. We need the youth of today to know who we are and what we do.
2. A targeted audience, ranging in age from, 28-65 years old, with an annual household income of 60K or greater, and an interest in giving back to the community. This demographic knows who we are but may not know what we do.

How are we reaching them? By using Google and Microsoft ad accounts, social media, digital displays, geofencing, SEO, site retargeting, and targeted emails. We will get out in front of as many people as possible with your logo placed in a proud and prominent area on the ad.

*Did you know?*

**The United Way Brand is recognized by 91% of the general public!**

## IMAGERY AND DESIGN ARE JUST A PIECE. TONE AND VOICE ARE THE KEYS TO SUCCESSFUL OUTCOMES.

Our brand is brought to life not just through images, but also words. As with imagery and design, it is important to maintain consistency in brand language, tone, and voice with our traditional ad campaigns.

What are traditional ad campaigns? Simple, it is everything from printed flyers, printed ads, radio, and TV. With the help of our corporate media sponsors, weekly print ads will run in the Pensacola News Journal as well as the Santa Rosa Press Gazette, Coming of Age, and Downtown Crowd. Weekly radio ads will play through Cat Country 98.7, News Radio 92.3, and WUWF 88.1. Television advertising will be run through WEAR ABC 3 News, and our Marketing team will be producing flyers, graphics, and videos weekly, as well as our monthly newsletters.

How will this help your organization? Consistency! The United Way of West Florida brand identity is the tangible expression of all that we stand for. It embodies what we do, how we do it, and why we're a trusted partner across the communities that we serve.

Our team will ensure that our advertising campaign puts your information in front of your targeted audience. In turn, this allows that broad-reach brand exposure to become targeted for high-value touchpoint advertising. In short, more clicks and views to your pages and sites.

# FLORIDA VETERANS SUPPORT LINE

The Florida Veteran's Support Line allows veterans and their loved ones to speak with fellow veterans who can help them through the difficulties of transitioning back to civilian life, connect them to community resources and services, and provide emotional support from trained professionals -- all fellow veterans.

211 Northwest Florida is part of a statewide program of 211 providers dedicated to helping Florida veterans. Our state has the third-largest veteran population in the nation, with over 1,750,000 veterans calling Florida home.

## 100 YEARS IN THE MAKING - A STORY OF IMPACT

United Way of West Florida in partnership with Vivid Bridge Studios looks to produce our video, "100 years in the making", a story of impact on our community. This project will showcase the work that has been done over the years, highlighting where we have been, where we are now, and where we look to be for the future.

The video will focus on our funded partner agencies, providing an in-depth look into the impact these organizations are making in our community. We will also look at the programs we facilitate throughout the year to include our community engagement activities we will embark on for our 100th rollout.

The video will be shown on all of our social media platforms, our webpage, and provided to our corporate sponsors and funded partners to be displayed at their companies. This will be one of our most visible projects.
